

## Account Manager

Strata Company provides integrated marketing solutions combining digital, web and print into successful marketing campaigns. We have concentrations in the food and healthcare industries, primarily in the B to C space. Strata Company has been twice named to Philadelphia's list of 100 fastest growing companies.

We are seeking talented team members to help contribute to the next phase of our business growth. Successful candidates will be well organized, have excellent follow up, be able to establish strong rapport with existing clients and understand the current trends in marketing and new media.

In addition to account management responsibilities, this position will work closely with sales in the proposal stages and be an integral member of our internal marketing team.

This exciting and fast-paced position requires:

- ◆ A dynamic service-oriented personality
- ◆ Ability to manage multiple projects/clients at once under tight deadlines
- ◆ Ability to multi-task in a fast-paced environment
- ◆ Ability to stay on top of and effectively communicate the latest changes that impact the completion of projects

The successful candidate will be a good team player, as well as have the following qualifications: **(Only Qualified Candidates will be considered):**

- ◆ Two to five years Account Management experience is required
- ◆ Excellent written and verbal communication skills are essential
- ◆ Bachelor's degree; business or marketing major preferred
- ◆ Experience in understanding and managing direct marketing programs, design and copywriting, and graphics

Send cover letter and resume with salary requirements. EOE M/F/D/V
